1/27/99

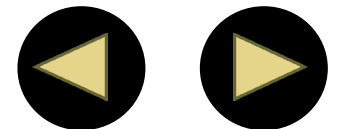

Overview of Tribal Participation

- **Notice of Availability of Excess & Real Property**
- **Request from BIA submitted September 20, 1994**
- **Participation on Sub-committee's for reuse committee**
- **Delay of Federal Request pending Master Reuse Plan Adoption**

Ancestral Relationship to NTC

- **Kumeyaay Occupied Point Loma Area**
- **Extensive use of Tide Lands and Marsh area for Medicinal purposes, Food Etc.**
- **EIS did not address Kumeyaay usage as significant**

Bureau of Indian Affairs BIA Participation

- **BIA supported initial response**
- **BIA did not follow through regarding technical assistance**
- **BIA cancelled three Base Closure Workshops for new BRAC process leaving Tribes to scramble for T/A**

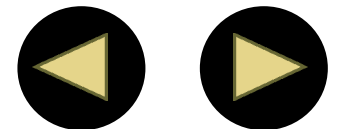

Local Reuse Authority (City of San Diego Council)

- **LRA- was not clear about tribal participation**
- **LRA- did not view tribal governments same as other federal request.**
- **LRA- focus was on special interest from their constituents**

In Closing NTC Today

- **Tribal / Development Team Submit Proposal**
- **Administrative Process exhausted Tribal Governments reviewing options.**

1/27/99
